| <b>SUBJECT :</b> Package Responding to Chairman Hawkins' Request for Agency Views on Amendment to H.R. 1524.   |                                      |      |
| <b>NOTES</b><br><br><p>Attached for your review are two letters. The first is to Chairman Hawkins of the House Education and Labor Committee. It transmits to him the Agency's views on a proposed exemption for the employees of Agency contractors to H.R. 1524, a bill which would effectively bar the private use of polygraph examinations. The development of the exemption grows out of extensive negotiations we have had with staff on the matter.</p> <p>The second is a letter to OMB requesting expedited OMB clearance for the first.</p> <p>We ask for your concurrence in both and your signature on the letter to OMB.</p> <p>Because of the time considerations involved, we are asking for expedited review by OMB.</p> <p>Although the exemption only takes care of the Agency, OMB, the Community and other relevant agencies know that we hope to proceed on a community-wide</p> |                                      |      |
